

2019 National Heritage Festival

St Johns Open Day 14 September 2 to 4pm

This is the 25th year of the national festival. Our lovely church c1800 has a stained-glass window credited to Sir Edward Burne-Jones, as well as a unique mausoleum in the churchyard. Do join us for:

- * a guided tour**
- * a world war 1 and 2 exhibition**
- * a beautiful display of flowers**
- * an organ recital by our organist**
- * inspect our large and 'creepy' mausoleum**
- * quiz for the children....and others**
- * refreshments will be available**

Just pop in and take a look at our church, rather than just walk by. We will be there to welcome you.
