Messy Church - November

On the third Saturday in November it was time for another session of Messy Church, the eight in the series arranged by Peter and our friends at the Baptist Church. Early in the afternoon the diligent volunteers gathered in the Village Hall and set to preparing their activities for the children. These events are very worthwhile but take quite a lot of thought and preparation. We should thank the volunteers and the organisers for their dedication.

Preparing the tasks (and the rewards for later!).

Potato prints and painting.

Landscape artist of the year and his apprentices!

Angels Delight

Christmas Cards

Boxes of delight

Cutting and pasting

Wreaths of delight

Side entertainment and parent's respite!

Now what were all those cardboard boxes for???

Snowman of course!!! Now we can squash all of the boxes!!!!"!

Not forgetting the season for the final thoughts then

And so, say all of us. Thank you Everyone for a super afternoon.
